New Solutions for Organizations in Hard Times

Nonprofit Solutions NW is proud to announce the formation of a new subsidiary, SolutionsNOW! Consulting.

SolutionsNOW! consultants, a network of independent top local business and management professionals, believe that their collaboration demonstrates how efficiency in planning, careful analysis, and thoughtful partnership alignment can achieve better results than doing it all alone.

With collective experience that spans several decades and past economic downturns, SolutionsNOW! consultants help community benefit organizations, for-profit businesses and public and private agencies to find ways to lower overhead costs, improve service delivery and insure sustainability.

Workshops, Events, Seminars and More!

The Nonprofit Center, Tacoma, WA, has a continuous calendar of workshops and

- visionary, accountable boards of directors.
- creating real, deliberate, discernible change.
- sustainable, diverse funding streams.
- trusting, productive meeting environments.
- long-term, quality staff relationships.
- higher visibility in your community.
- an open and responsible organizational culture.
- making the sum of the parts work for the whole.
