## President Uses Video To Push Public Service

June 17, 2009

Today in a video message, President Obama called all Americans to incorporate service and volunteerism into their lives this summer as a part of a national initiative led by the Corporation for National and Community Service (CNCS).

The initiative, called United We Serve, will run for 81 days and kick off on June 22 at the National Conference on Volunteering and Service in San Francisco, culminating in a National Day of Service and Remembrance on September 11.

## Summer of Service Helps Local Volunteers Answer the President's Call to Service

Residents of Thurston, Mason and Lewis counties will have a summer full of opportunities to answer today's call to service in the United We Serve campaign.

In response to Obama's speech, The Volunteer Center of Lewis, Mason and Thurston Counties is hosting a Summer of Service starting with a Kick Off Party on July 8 and two service days, one focusing on the environment and another on education and dozens of service projects hosted by nonprofit organizations in our region.

Anyone who has a service project they would like added to the list or would like information on creating a service project of their own, should contact the Volunteer Center at 360-741-2622.

The full list of Summer of Service volunteer activities will be available at the Summer of Service Kick Off Party and on the [Volunteer Center Web site](#). For more information
